

New Flooring Checklist

Planning a flooring project can feel overwhelming, but this checklist will help streamline the process and bring your vision to life.

Define your goals and needs

- Identify which **rooms** need new flooring.
- Consider the room's **function**:
 - e.g., high-traffic, water or moisture-prone.
- Think about the flooring products that best suits your **lifestyle**.

Find the perfect floor for you

Take Our Quiz

Carpet Vinyl Wood Laminate Tile

- Note any special requirements.
 - e.g., kid or pet-friendly, hypoallergenic
- Determine your desired timeline for the project.

> **Why FCI?** We bring our *Mobile Flooring Showroom*® to you and guide you through every step, ensuring the perfect flooring choice for your lifestyle, needs, and timeline—stress-free.

Set Your Budget

- Determine your overall **budget** for product and installation.
- Explore **financing** options to make your project more manageable.

> **Why FCI?** Rest assured, our proposal will cover the entire project with no hidden costs, so you can plan with confidence. Plus, we offer special financing programs to make new floors even more attainable.

Choosing a Reliable Installer

- Look for companies with **strong reviews** and proven **experience**.
- Consider a **locally trusted** team of experts.
- Validate they offer **warranties** on their products and installation for added peace of mind.

> **Why FCI?** With over 400,000 satisfied customers and an average 4.8+ star rating, FCI combines the strength of a nationally backed brand with the care and personalized service of a locally owned and operated small business in your neighborhood.

Getting a Flooring Estimate

- Avoid the hassle** of big-box stores and struggling to find a reliable installer.
- Opt for **in-home** consultations to ensure accurate measurements.
- Schedule with a company that provides **guidance**, not pressure.

> **Why FCI?** FCI provides a personalized flooring experience and handles every step – from appointment to final walkthrough – so you don't have to.
